Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This 1996 project, the title of which, viz. Book of Beliefs , arguably owes something to Henry Miller s Book of Friends in its informal structure and the subtitle of which, viz. The Omegala , is an oblique tribute to anything omega-orientated, is more informally cyclic than Eternal Life (1995), its immediate precursor in John O Loughlin s aphoristic canon, but remains, nonetheless, one of the most comprehensively exacting and demanding of all his philosophical works, and also, in the long run, one of the most thematically rewarding.
