

The English Elementary School Some Elementary Facts about It (Classic Reprint) (Paperback)

By A W Newton

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The English Elementary School Some Elementary Facts About It In writing this book I have had a very humble aim. Much information as to elementary education is floating about, but it is often rather out of reach; it is to be found in official documents, various periodicals, and people's memories; my endeavour has been to embody some of it in a convenient and semi-permanent form. The Blue-books contain a great deal of interesting matter, but they seldom find their way into non-official hands. They can, of course, be ordered through any bookseller, but booksellers do not keep them on sale, and the public are unfamiliar with them. The blue covers soon wear out, and all Blue-books, except the very smallest, are apt to come unsewn, and break in two. The compilers generally write for experts, so far as they can be said to write for anybody except themselves. They do not begin at the beginning of anything, so to speak, but take for granted much that the ordinary reader does not know, and consequently they...

Reviews

Very helpful to all of group of men and women. It can be written in easy terms instead of confusing. You will like how the writer wrote this book.

Absolutely essential study pdf. It is one of the most incredible ebooks I actually have gone through. It's been printed in an exceedingly basic way and it is merely soon after I finished reading through this ebook where basically altered me, affected the way I think.
