Reviews

A high quality ebook as well as the typeface employed was exciting to read. It is actually loaded with wisdom and knowledge You wont sense monotony at at any moment of the time (that's what catalogues are for concerning when you request me).

(Declan Wiegand)

BREVE HISTORIA DE LA GUERRA CIVIL

Espasa, 2009. Encuadernación de tapa blanda. Book Condition: Nuevo. 1ª Edición. Ejemplar nuevo en perfecto estado, restos editoriales. Encuadernación en tapa dura, 125 x 195 mm, 229 páginas. La guerra civil española fue uno de los conflictos más complejos y cruentos del siglo XX. ¿Cuáles fueron sus causas? ¿Por qué continúa hoy suscitando tanto debate? En medio de las desgarradoras catástrofes de la historia europea del siglo XX, la guerra civil española sigue ejerciendo una fascinación particular a los ojos del público de todo el mundo. Desde luego, no cabe explicar ese poder de atracción por la escala geográfica o humana del conflicto, ni por los horrores tecnológicos de que fue testigo, pues otras contiendas la empequeñecen en destrucción material y tragedia humana, por más que añadamos a nuestro cálculo el horror continuado de las matanzas y encarcelamientos masivos que se sucedieron en la España de "posguerra" durante la década de 1940. Pero este compromiso duradero con la guerra civil española es innegable y ha generado más de quince mil libros, lo que constituye un epitafio textual que la equipara con la Segunda Guerra Mundial. Esta obra pone de relieve el contexto nacional e intercacional de la guerra, y revela sus orígenes en las inquietudes políticas y culturales provocadas por la rápida modernización de Europa. De este modo, la historiadora Helen Graham combina un relato vigoroso y humano de la guerra y sus consecuencias con una incitante indignación ética de su legado para el siglo XXI.
