A GENIUS FOR MURDER: A PLAY IN THREE ACTS (PAPERBACK)

Thoughtprint Press, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.FROM THE PUBLISHER A Genius for Murder: A Play in Three Acts is a dramatization of 1940s Hollywood Noir. The play is a Hollywood Confidential, based on real people and real events taken from the actual newspapers, secret police files, recorded transcripts and courtroom documents of that day. It centers on a five-year timeline (1945-1950) in the life of Dr. George Hill Hodel, then Head Venereal Disease Control Officer for the Los Angeles Health Department and a prime suspect in a series of LA Lone Woman Murders the most infamous being the 1947 torture-surgical-murder of twenty-two-year-old, Elizabeth Black Dahlia Short, Did George Hodel actually commit these sadistic murders? Or, because of his skill as a surgeon, was he just rounded up as one of the usual suspects? As a member of the seated jury, you will be asked to weigh the evidence, and then vote your mind at the close of Act III. George Hodel, an LA born native, was a sophisticate and bon vivant extraordinaire. Possessed of a high-genius IQ he was a member of Hollywood s inner-circle of the rich and famous. His personal friends were an eclectic group of actors, artists, and writers who make up the play s cast. We meet and party with George s beautiful wife, Dorero, a screenwriter, recently divorced from George s longtime friend, famed film-director John Huston. We are introduced to George s inner-circle of avant garde intimates such as the surreal photographer, Man Ray and his wife and muse, Juliet. We drink and philosophize with writer and fellow Dadaist, Henry Miller, along with George s confidant, the mysterious German Baron, Ernst von Harringa. In the 1940s, George...
