Brand New Book ***** Print on Demand *****.Fully updated in January 2016, and detailing the changes going live on May 16 2016, this is the definitive book on equity crowdfunding for startups i.e. selling shares in your company over the Internet. The process started several years ago with Title III of the JOBS Act and has morphed over time to the final rules on Regulation Crowdfunding from the SEC. This book, updated several times over the last few years, was the very first book on Equity Crowdfunding in the USA and was the #1 book on Amazon in its category for over a year. Raising venture capital has become easier, with the passage of the JOBS Act. It's new, it's different, and it's big! Selling shares in your startup through crowdfunding is a big deal. It's going to totally change the whole way venture capital is raised. This book is for entrepreneurs and business owners to quickly understand what they need to know and where to find it. It's more than collecting the cash; you need to set up a...
