CUBA (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Cuba This book contains impressions of Cuba gathered during ten years interrupted residence on this island, the last four of which have been spent largely in traveling hither and yon through its provinces, on work entailed first by connections with local newspapers, next by an appointment as special agent of the Cuban department of agriculture, and, finally, by the business of editing a monthly magazine which describes the island principally from agricultural and industrial points of view. What is given of the history of the country, not as yet scientifically compiled, has been obtained in desultory reading, especially of earliest chronicles. The whole is set forth as the personal opinion of the author only. After one has resided in Cuba through ten years, he ceases to hold any dogmas or doctrines concerning this country, which has, very justly, it seems to me, been called the land of topsy-turvy. Here logic and rational sequence are not the rule. Life runs, not like reality, but after the style of librettos of stage plays. From largest to smallest, contradiction exists in all the details of our daily life. Here there are woods which sink and stones which float. Here the executive pardons persons not yet convicted of any crime, and the congress legislates against incorrigible suicides. Business firms send creditors no bills, but signed receipts instead, to dun them. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
