

Extracts from Micrographia: Or Some Physiological Descriptions of Minute Bodies Made by Magnifying Glasses, with Observations and Inquiries Thereupon (Classic Reprint) (Paperback)

Filesize: 3.8 MB

Reviews

Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my dad and he encouraged this publication to discover.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Extracts From Micrographia: Or Some Physiological Descriptions of Minute Bodies Made by Magnifying Glasses, With Observations and Inquiries Thereupon* Hooke's *Micrographia* is a remarkable book in several respects, but in none more strikingly so than on account of the explanation which it contains of its author's clear views respecting the theory of combustion. This explanation occurs quite unexpectedly in Observation XVI., entitled *Of Charcoal, or Burnt Vegetables*, and it forms by far the most important portion of the book from the chemical standpoint; although matters of minor chemical interest are mentioned in several of the other Observations. It is a matter for the greatest regret that Hooke did not detail in Observation XVI. the experiments from which his theoretical ideas concerning combustion were deduced; and also that he never carried out his expressed intention of dealing fully with the whole subject in a separate treatise. A just appreciation of the author's individuality, as well as of his intentions in publishing his *Micrographia*, can scarcely be obtained without perusing his preface, which contains a number of shrewd and enlightened ideas. The following pages contain the greater part of the preface to *Micrographia*, Observations VIII. and XVI. in full, and a few shorter extracts. The old-fashioned spelling of the original has been retained. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
