

Trust Works!: Four Keys to Building Lasting Relationships (Hardback)

Filesize: 7.75 MB

Reviews

This is the best book i have read until now. It can be filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.

William Morrow Company, United States, 2013. Hardback. Book Condition: New. 211 x 142 mm. Language: English . Brand New Book. Trust Works!How to build it--How to keep itIn this enlightening guide developed from his popular Trust Works! training program, #1 bestselling author and management guru Ken Blanchard turns his vast knowledge and insight to one of the most timely and complex issues that affects all areas of our lives.Once upon a time, a dog and a cat lived together with other animals and the humans who cared for them. But canine and feline did not trust each other--a situation that led to fighting, backbiting, and sabotaging that soon affected the whole household.Unless their conflict was resolved, all of the pets would lose their home. Fortunately, a wise old parrot stepped in, teaching dog and cat the ABCDs of trust. As each became aware of the unconscious behaviors at the root of their hostility, dog and cat discovered how to change their behavior--a mutual transformation that created a happy, productive environment for all.In Trust Works! Ken Blanchard applies that fable to real-life situations to show anyone how to get along better with those around them. He outlines his ABCD trust model and uses it to address the factors that lead to discord, including low morale, miscommunication, poor response to problems and issues, and dysfunctional leadership.In today s polarized society, building trust--and sustaining it--has never been more important or seemingly elusive. Trust Works! provides a common language and essential skills that can replace dissension with peace and cooperation and help us all work together productively and in harmony.
