Brand New Book ***** Print on Demand *****.Excerpt from Christianity and Non-Christian Religions Compared: Containing 800 Library References to Facilitate Further Study In this present age of seeming uncertainty in spiritual verities, and of exalting the heathen religions to the position of equality with Christianity, it becomes necessary that we examine their actual teachings and compare them with those of the Bible. This is made doubly necessary since the priests and pundits of some of the non-Christian religions have begun to visit England and America to promulgate their Oriental philosophy and metaphysics. Their listeners, not having a knowledge of the actual character of these systems, or of the saving grace of God in Christ, are sometimes caught by their subtle sophistry, and led, step by step, into very absurd beliefs. One of the most striking examples of this is seen in the transplanting of Hinduism into Christian lands, under the non de plume of Christian Science. The strongest and most satisfactory way of learning the relative value of the teachings of these various religious systems is to study them comparatively. This is an exceedingly difficult task, as it requires a large amount of time and patience to search through scores of volumes containing much that is tiresome and uninteresting. Then, too, it would doubtless be unwise for the average person to spend the money necessary to purchase the required number of books to get a comprehensive knowledge of these world religions. This volume endeavors to gather into brief paragraphs the teachings of the leading non-Christian religions, under about sixty fundamental topics. This enables the reader to secure within a few moments a general idea of what the people of the world believe on the...
