In addition, the opening chapter I wrote openly about the time in my life where I was in a coma and expected to die. . . . but, I didnt. . . . It changed me forever. This workbook will help you start loving your life today without having to get a new job, make more money, buy a new car, or more. It has 30 daily exercises to dig in deep and discover the multitude of gifts you have - today! In the Law of Attraction sense, we must find gratitude in what we have to attract more. Find those gifts you have today. I promise you have many! This workbook is great for families to use during the evening meal to work the daily exercise together and go around the table to answer their gifts of the day. IE:...
