Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

CONNECTING CONVERTS (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Authentic disciples are in essence disciple makers. When we cease doing, we cease being. Connecting individuals to the person, people and purpose of Christ should trump the mere increasing of church membership rolls. Note that membership is limited to attendance, contribution, and participation, discipleship however, is sacrificial allegiance to all instructions and obligations of a master. In Connecting Converts Gordon S. Jones shares practical steps in developing a discipleship minded community and how to intentionally connect each convert to the person, people and purpose of Christ.
