

Genetically Modified Organisms: The Mystery Unraveled (Paperback)

By Phd Miriam Jumba

Trafford Publishing, Canada, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Products of gene modification have vast implications. Creating public awareness and disseminating information on the subject seeks to demystify some of the widely held falsehoods regarding genetically modified products. This is an informative, thorough and easy-to-understand guide book that aims to enlighten and debunk some of the commonly held misconceptions on products of gene modification and to give the reader a better understanding of the role genetic modification will play. The review sheds light on the safety, and application of these products in medicine, the food industry and other areas, especially those where genetic modification may represent a cheap, faster, credible and viable alternative in achieving sustainable development amongst poor communities. Dr. Miriam Jumba is a lecturer at the University of Nairobi, School of Biological Sciences, and relies on her scientific expertise as she explores the advantages as well as the risks and concerns surrounding genetic engineering. While answering the questions raised by consumers of genetically modified foods- foods that have the potential to solve many of the world's hunger and malnutrition problems, to protect and preserve the...
