From collage and artist trading cards to portraits and still lifes, this book encompasses both abstract and fine art approaches to mixed media. First the reader is introduced to traditional painting and drawing tools and materials, and then each artist describes his or her own unconventional ingredients and personal approach to mixed media. Next they guide the reader through several step-by-step projects, each one demonstrating different techniques and components. Aspiring artists will learn how to alter photographs and incorporate them into paintings and collage, how to create three-dimensional texture on a two-dimensional surface, how to balance the fundamentals of art with abstract designs, and even how to create a poem out of a daily newspaper. Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.
